Subject: Application for the Data Analyst position.

Dear Christiam Puentes,

I hope you are well. My name is Yamit Sebastian Portilla Cortes I am writing this email to send my solicitude for the Data Analyst position in your company I am very interested in this opportunity because I want to grow professionally and gain more experience in data analysis.

Currently I am a student and I am close to finish my degree. At the same time I work part-time in a small technology company where I have worked since one year. In my job I help with data organization, reports, and analysis tasks. This experience has helped me improve my responsibility and my attention to detail.

I consider myself a fast learner and a committed worker I can work in a team and also independently I always try to do my tasks carefully and on time I would like to offer my dedication, effort, and positive attitude to your company.

I have knowledge in spreadsheets, programming tools such as Excel and Python I like working with numbers and analyzing information to support decisions I always try to improve my skills.

My skills include:

- Interpreting data.
- Skills in organizing information.
- Developed and creating reports.
- Skills in technology development.
- Team in work.
- Responsibility and commitment.

Thank you for your time and consideration I look forward to your response.

Sincerely, Yamit Sebastian Portilla Cortes.
